Sir:

**COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE**

The instant application was allowed November 18, 2003.

As mentioned in the Reasons for Allowance, the art of record fails to disclose or suggest the first, second and third contact holes. With respect to the Interview Summary Form reflecting a telephone Interview of November 5, 2003, the substance of the Interview is completely recorded via the Interview Summary and the Examiner's Amendment which accompanied the Notice of Allowance. The claim language was slightly adjusted, in form rather than substance, in order to make it more clear. The claim language was not changed in response to any rejection, and is not narrowing.
